tr no thinks the applicant quanted recommends him to the Secretary of the Navy, by whom he is presented dust be fore graduation each galet with an appointment, and ordered to Annapolis on the Lith of May, or lst which he particularly desires, and

also be able to pass a rigid physical navy, and the remainder of the class examination. Eyesight is particular-are honorably discharged with \$1,000 ly tested, as a person with defective on which to begin life, eyesight would not be fitted for the ITCHING PILES. Protracts whith after a sorvice.

Should be to one of the thirty or forty per cent. Whio pass both the physical and mortal tests, he takes the advantage of the physical and mortal tests, he takes the advantage of the physical and mortal tests, he takes the advantage of the physical and mortal tests. However, the physical and mortal tests, he takes the advantage of the physical and mortal tests, he takes the advantage of the physical and mortal tests, he takes the advantage of the physical and county Desirable States Government and is commissioned Naval Cadet, U.S. Navy. He stone distributed in the lower part of the store situated in the lower part of the yard, where he is supplied with all his household goods, measured for his uniform, makes his deposit of \$200, and with a clothes bag on each arm and a dastification of the lung; if taken in time and given a fair-trial.

Before you have your pictures are equal to the head of the work. You will be east the clothes bag on each arm and a dasting type-size pictures are equal to the head States Government and its commission. The province of the Public School to experiment with uncortain remailes, when afflicted with any of the diles, when afflicted with any of the diles, when afflicted with any of the militory of Texts Books for State and County Desirable and County Desira C, S. R.

Kentucky's pudding-headed Court is to be his bed for the next three of Appeals has brought in another months, as being a "May Piebe" he decision that will be a great disapspends the summer in a cruise along pointment to the people of the State, the Atlantic coast. From now until and that will invalidate the best electhe first of June, at which time he fion law that has ever been adopted the start of the anomer cruise, he in the State. This is the recent despends his time in marking his cision which declares that the ninth clothes and in setting up drill. He section of the Wallace law is unconsoon becomes accustomed to his rew stitutional, and that unless the law life, rising at 6 a. m., drilling all day can be operated without the provis-Virtue magnifying ever, keeping politicians and retiring at 10 p. m.

Ou the day appointed, the first, unconstitutional. At the same time the U. S S. Constellation, which on which were elected under this law a practical, as well as a theoretical. The bonds are legal and valid, but

this time thinks himself a terrible technicality upon which this section abused individual and is anxious to is declared neconstitut on d is that get rid of the "upper classman," takes it makes a qualification of intelliup his abode on the Santee, where gence or education, and thereby in-his time is occupied with infantry, terferes with the bill of rights, which artiliery, and other drills. Time bestows the right of franchise upon pow passes very rapidly all men of voting age. It is held by and before we know it the first of the court that an illiterate voter, who October is here. Those Cadets who can neither read nor write, is dishave been on leave, report their ro. franchised by the section, and that, or Annapolis and after about forty turn to the Commandant of Celet-, therefore, the law is unconstitutional. minutes if le through the hilly lands and the Piebes are transferred to the By implication the decision declares of Maryland we arrive at our desti- Quarters, where they are assigned that a voter has a right to take any nation. The city is pleasantly sature rooms. Now the regular routine become he pleases into the compartment ated on the bank of the Severn river, gins. The Cadete rise at 6 a. m. and t, assist him to preparing his ballot which when undisturbed lays, look- retire at 10 p. m. The days are spent. With this interpretation of the ing towards the East, is combinated. In recitations, formations, drifts etc. winth section it is perfectly evident sheet as far as the eye can reach and and the Carlet field that its little that the whole Wallace till is smanis only broken by the constant pass- time to himself. Then are three calared. The intention of the law was to prevent bribery and secure the whol, tide and occasionally the amination, at the end of each month, honesty at electrons by preventing entrance of a grim, gloomy black if on the Semi-Ausual of Annual the certain delivery of purchased man-of-war. The quaint old town is examinations, which take place in votes. Without the eighth section the of ancient Puritan foundation and February and May respectively, a law is worse than useless. With the many of the buildings look old, as Undet is found deficient in any study, secret compartment open to anyone well they may, for there the "manor hais given an opportunity to renign about the voter chooses to have accompany, built more than 200 years and if he fails to do on in the time company bine, the law is an aid to designated he is discharged from the price are a slown seen, but occasionally a sleepy ox team driven by a more sleepy tooking had comes lumbering down the poorty of members who entered the writers (finished streets, while business is at class in 1886, there are but 50 remain.

THE REASONS ARE: 1-t. There has never been a respectable stock of them kept here.
21. The prices asked for them have always been beyond the reach of everybody.

WHEN WE OPENED UP

ions of this section the whole law is Our "Merchant Tailor Remnants" Knee Pants at a price that was scarcely one-half the cost of the bare material, we struck a chord that has harmonized with the purses of hundreds of mothers in Hopkinsville and Christian county, who have always heretotore had to worry their lives most out to find the third and fourth classes go aboutd the sapient court dechles the bonds goods and then have the trouble and labor of making it up. We have had many words of commendation from

The Tired Mothers,

AND SO WE ARE GLAD

That we have been fortunate enough to secure another large lot of Tailors' Rumanis which we have had made up into Boys' Knee Pants, and can

Give You Choice of 400 Pairs for 75c.

We have now a larger stock of Boys' and Children's Clothing than all the stocks in the city combined, and at prices that can't be touched.

Times Are Changed,

Complete and Overwhelming Success IN OUR SPRING BUSINESS!

Crowds of buyers sitest the fact: Honest effort must receive public encouragement, and we have acquired strength in our progress. Owing to our long experience in the business we inturally have advantages over other buyer, which enable us to self many articles of Clothing for less money than some declers buy them for. And we desire to say right, here that during our whols business experience we have never bought goods so low as our Spring Stock, and we are going to give our partons the bein fit of it. Suits we have heretotore soid for \$20 we are going to self for \$15. Suits that are advertised as being great leaders for \$12 to \$14, we are ealing for \$10. We are not selfing at half price, but an examination of the quality we are giving one would think we are defing more than that. We are not only eping Clothing cheap, but Furnishing Goods are ent to the bottom. Look at the Percal Shirt we offer for 50c, which can not be duplicated in this town for 50 per cent, more money. Suspenders worth 25c for 13. Pure British Scamless Sex worth 25c for 12½c per pair. WE MAKE SUITS TO ORDER FOR \$13.25 and up, and and guarantee a fit or no pay. A thousand samples where we make pants to order for \$3 and guarantee a perfect fit.

Respectfully,

PYE DICKEN & WALL.
